Concept and Background: See also separate write up.

1) Living, non-enemy NPC who is important to you

Solon – Although Git may not realize it consciously, Solon is sort of a father figure... one of the few people who ever complimented him on a job well done and who gave him something (training, etc.) when he didn't need to.

Nashwa or Sarosh - if they are still alive.

- 2) Something your character is passionate about

Hatred – Dyareelans

Compassion – any street kid, but especially those with pluck

- 3) A living rival or enemy NPC (or organization)

Vahe, another krrf dealer who thinks he owns the blocks where Git has been dealing
